I've tried everything I could find on the web, but nothing seemed to work. My file upload isn't working. If I remove "return false;" from the submit event, the upload seems to work, but the browser asks me again for file information and then sends the file to my website. This is my upload form: This is my event: $(document).ready(function() { $('#fileUpload').submit(function() { var files = $('#files').get(0).files; if(files.length == 0){ $('#msgImage').html('upload image'); return false; } var formData = new FormData(this); $.each(files, function(index, file){ 1cb139a0ed
