

[Download](#)

September 13, 2012 - The app creates fully personalized wallpapers based on your Xbox Live avatar, name, email address, and photos. Wallpapers give a personalized ... In addition, the application allows the user to change the avatar and name at their discretion, but the user will not be able to change his nickname and avatar (this can only be changed by the Xbox Live administrator). Xbox Live Wallpaper Studio offers a large selection of different wallpapers that you can set for your loading screen, login screen, or loading screen, as well as choose from a huge number of images available from the app developers.
