What's new:

. Never use these. Too easy to deactivate a plot device. Important plot show-ups "If it wasn't the convenient season break between Seasons 6 and 7, then I would have gotten even more pissed off..." SPOILERS. First the voice from the phone: "She's fine for now. But she won't be if you keep this up. We have her." "But where is she?" "We don't need exact coordinates, just a general idea." "How can you get a general idea from a phone call?" "Listen, you muscled-up hippie, don't you think I've dealt with bigger threats than you before?" "Not from a phone call." "Fine." "Alright, she's at an abandoned hospital. An old one that doesn't have any patients, just ghosts." "Like a real hospital? Or a mental hospital?" "It's a mental hospital. It used to be an old school hospital. It's located in the middle of nowhere, something between a town, a very old city, and some wasteland. Roads aren't even passed near the place." Him: "How does she get there?" "She gets in somehow, and she's going to get her ass fucked until you step in." "And if I don't care?" "You're really messing with the wrong girl. If I have to shut down your entire operation, I will." "Well, I'm not really in the mood for threats, because I have a gut feeling you won't do anything about it." "Goddamn right... I have a headache." "Look, I'll try it my way." "Well, I'll just have to kill her then." "You're a bastard." "Told you I was going to kill you." "No, you weren't." "Well, she's on her way now. Where are you?" "The very same place. I know, man." Later "She was here! I can feel it." "Wait. Did you sense her presence in this area, or anything?" "Yeah! I'm not stupid... I can sense a force or something." "She's still here." "What
