It's a survival 2.5-day game! You wake up in a deserted city. It is already evening and there are numerous undead that want to bite your nerves. You do not know what happened in the last day and why you are here, especially, since the majority of the time, you are unconscious. If you want to survive, you'll have to flee from these monsters. To do so, you can use magic or weapons. In the beginning, you will have to survive without weapons. The magic wands can be used to shoot fireballs and remove monsters that are attacking you, it does not need more mana. You will have to get to the next level, so you'll have to find the exit. This will require to collect as many mana in the process as possible. - cool soundtrack - mechanics of dungeon levels - many types of weapons - dark atmosphere - there will be boss KEY FEATURES OF THE GAME ===== CHALLENGES

- Guide Inops using unique fluid mechanics and physics- An Inop is a living, thinking entity and can escape, aid or even attack. (Be careful, they can also get you in trouble)- Split into Inops whenever you wish to solve a puzzle, climb or evade. - Straight Lines: Inops are governed by a simple physics - go where they want to go.- Jump: Inops can jump with the push of a button. - Constantly adapting: Inops are always learning new skills and abilities and can change their direction of travel at any time. - Stick to the Code: Inops have clear rules and expectations. Do not break the code and you will be allowed to proceed. - Capture the Moment: Inops are unique, thinking entities with their own intentions, motivations and needs. Never ignore Inops! Always keep them in your mind and guide them to save time, your Inops and yourself. - Larger your Inops, the greater your efficiency! Avoid making them too powerful so they don't 'cheat' and have an unfair advantage over you. - Level up: Gain experience points for solving puzzles, finding Inops, and protecting them from being harmed. Level up your Inops to gain a huge advantage over your competition. - Multiple Traps: Use multiple traps in clever ways. Inops cannot enter a trap unless there is space to walk in. Multiple traps will help to trap an Inop, but don't be too greedy. - Friendly Fire: Be careful how you use your Inops - be sure that you are not throwing Inops into the path of their closest friends or relatives. - One Lifetime: Inops have one life and they will not respawn once they are captured. - Restart on Failure: If an Inop fails to escape a trap or solve a puzzle then it can restart the level.

Notimex Notimex, or Força de Opção Nacional, is the second-largest television station in Venezuela. Its history began in the 1960s with the launch of the first color TV channel in Latin America, Venevision, after the fall of the Marcos Pérez Jiménez regime. Venevision, and later ATV, had the largest market share, until La Red, Rede Venezolana de Televisión, launched in the 1990s. Since then, Venevision has lost more than

## **What's new:**

**Join the Swarm Nine young witches live together at a boarding school for supernatural creatures, the Witches' Academy, and two of them may not be human. It's best to stay out of the witches' way, even if they aren't your natural enemy. Two of the witches at the Witches' Academy are less than human. One looks as if he is capable of turning back into a fairy, a possibility he's known but doesn't admit; the other could be forced to do things he doesn't want to think about. As their new roommates, you and your fellow students must decide whether to stand with those who are, or those who are only pretending to be.**

**STORY** For four years, nearly three hundred talented students across the world have lived and trained together at a prestigious New England boarding school. Many fear that they have not only committed their own futures to this institution, but their love lives as well. The college-year graduates to some degree or another refer to the time they spent within its halls as the "best four years of their lives," but who can say for certain? Now, for the first time, many of them are about to discover the real world has never been so frightening as the potential they have between them, most especially when two students learn the truth about their relationship with Professor Dewey Dane.

**PROS** Quirky and offbeat, but with lots of adventure, you'll enjoy the first volume of the Hexagons, and reward yourself for being a fan of self-indulgence and over the top.

**CONS** Quirky and offbeat, with tons of adventure, you'll enjoy the first volume of the Hexagons, and reward yourself for being a fan of self-indulgence and over the top. Key staff on Hexagon World includes: Emily Axford
