\*Fran  ais Authentique Appreciated my pack very much and will be in the future. Thanks a lot for answering every question I had. The pack was delivered exactly in the period I ordered and everything is as described. I cannot recommend this pack enough. Fran  ais Authentique's pack will be part of your future applications and it will be a pleasure to translate for you when you approach a non-programmer friend. Packen werden via   Fran  ais Authentique   optimiert um besser lernen zu bekommen. Wahlweise Platzierungen anpassen. Pack 3 is useful but lacks repetitions and is not very diverse. Good articulation of sounds for the language. In addition, it is not strange to include authentic French sentences from speakers to improve your ability to speak and understand these sentences in authentic French. Great pack for entry-level learners who do not have a knowledge of French, even if it is difficult in some points. Great resource for beginners, it does it with quality. Authentique was a pleasure to deal with. The only thing I'd like to say is that I've now ordered the English/Spanish and French Pack from Authentique, and I'm looking forward to getting my packs. A good variety of authentic basic sentences and useful sentences to reinforce what you've learnt. The French/English Pack is a real surprise and goes much further than you'd expect, which is a good thing in the early stages of learning French. This pack provides a fresh introduction to French. I really like the dialogues between the player and the instructor
