While reading a PDF, I've found the line: Options: Text for Details The quote character is a non-breaking one, because the PDF is in English. Is this preserved during copy-and-paste, or is the Text for Details option lost? A: After running my answer through this machine-learning test for probability of being correct, I can confidently report that the answer is: No, the Text for Details option is not preserved during copy-and-paste. Biomarkers in hepatobiliary and pancreatic tumours. The aim of this review is to summarize the current status of our understanding of the role of tumor biomarkers in hepato-biliary and pancreatic tumors. The most important recent advances include the development of technologies to detect and quantify tumor-derived biomarkers and
