When I first heard the intro of the voice of Mr. YouTube it broke my heart because you could tell that there was a guy listening to it. This went on for the whole song as we hear his "I'm losing my eyes" until he reveals the true meaning of the song. DEUTSCH [ENGLISCH]:Impressum / Privacy Policy:© Air Up There LLC 2016Competitive clustering of non-tuberculous Mycobacterium species in a health care facility. With the use of improved methods for respiratory tract isolates, more non-tuberculous Mycobacterium species have been recovered. These species were thought to be less pathogenic than Mycobacterium tuberculosis. However, there have been recent descriptions of nontuberculous Mycobacterium-related disease. We describe an outbreak of non-tuberculous Mycobacterium-related disease due to Mycobacterium avium-intracellulare (MAI) in a health care facility. To address the nosocomial and health care delivery issues associated with patients with MAI disease, an infection control protocol was developed that was refined over 4 years of experience with over
