Love Puzzles is the latest game I developed myself. This is a game where you mix the fun of a crossword, with all the relaxing benefit of a game of Sudoku. If you combine these two games, you will have the perfect mix! It's a fun puzzle, it's quick and you can instantly relax after playing. Cupid Nonogram is a relaxing puzzle game. Take a look at the instructions below to find your way through the game and relax! Features: - Relaxing puzzle game: Combine thinking with relaxing music - Beautiful graphics and soothing game sounds - Relaxing music and graphics to help you unwind - Easy to learn, but hard to master - A great game for children and adults How to play: Drag a block to place it in the box. Try to place all the blocks you can. You can rotate a row or column before placing a block in it. We get excited when we come across an app in the Google Play store. We immediately think about how it's going to make our lives easier and make our lives more fun and exciting. But not all the apps are great and some are really downright dumb! What is this list? This list is a collection of Android applications that have been submitted to the Play Store that are, well, just a bit stupid. So if you have spotted one of these bizarre applications on our Play Store, don't get your hopes up. I mean, sure, they may be entertaining in a way that you just cannot explain, but they can be frustratingly annoying and downright ridiculous. Now's the best time to put them down and move on! The no-no list Folks, we've got the list. Here's a quick list of the applications that might make your life a bit more difficult and the reasons why they've been left out. 1. Astrotrash5 APP INFORMATION Description Astrotrash5 is the best video game on Google Play. A game with breathtaking graphics. What's Astrotrash5 about? Start from the history of the game on Gametap.
