1/5 - IGN It's unclear whether this game was actually in development, but it should have been. The outcome is a cut-and-paste fantasy RPG with a poor learning curve and odd level design. The story is cliched, and most of the gameplay features are missing. It's yet another disposable demo with no future. 1/10 - Gamezebo The presentation of Elden Ring Crack is bad. The presentation of gameplay is bad. You are in for a long, long ride. 1/10 - GameSkunk ...the story is embarrassing, the soundtrack is awful and the combat is extremely dull.
