The Elden Ring is the main faction in the game. Its members, the Tarnished, play for their own welfare and that of their acquaintances. The Tarnished and their allies are tasked with hunting down threats that rise within the Lands Between. The members of the Tarnished are divided into three categories: heavy weapons masters, magic users, and lone knights. You, as a Tarnished or allied character, can acquire goods, have conversations with other characters, and play minigames on the world map. You can also take part in a variety of PvP battles. The Gionne, the leader of the Elden Ring, and his subordinates are represented by the Gionne Alliance. The alliances within the Gionne Alliance are in a constant state of conflict. Features Key:

Characters: A dual story of a self-proclaimed hero and his companion set in an alternate fantasy world called the Lands Between that connects to the other fantasy worlds of Senri and Asuka. Each character has his or her own story and explanations for the actions of the other main characters. Some characters have deep, hidden backgrounds that provide answers to some of their decisions and actions.

Gameplay: In addition to traditional types of RPG combat, elements from other genres are also added. At the same time, exploratory features, including factions, guilds, and expanded equipment customization, are added to the game.

Factions and Guilds: Add depth and feel to social play by organizing your quest through the organization of factions and guilds.

Swords: Fantasy style swords exist in the game, but with a twist: Elden Rocks. Players can improve their swordsmanship through training sessions.

PvP: Players can fight other players in a battle to the death using their swords. * PvP not supported in

Japanese version

Spells: While the vast majority of combat is done with swords and magic, there are also a variety of spells. Players who have training on their own preferences can perform combat-effective magic by learning the correct spell order.

Upcoming Features

- We are creating a new way to interact between the game and web site, so please look forward to the future!
- Take pleasure from the feeling of repeatedly gathering rewards by completing missions while exploring.
- A feature that will "punch" you in the face by warning you to get up from your seat...ahhahaha~

Wonderful News! We also have the following for R&D on the tentative schedule.

- We are considering expanding the game into a campaign.
- We are currently considering introducing a new system that will allow you to freely change your

"I was honestly surprised and couldn't believe my eyes when I saw this new fantasy action RPG. As expected of an RPG, there are plenty of customization features, but what I want to mention is the story that can be seen even through its plotless design." "As a dungeon crawl where the story gets carried out, the characters' sentiments are conveyed even if they don't speak, and the intense bond between the characters is conveyed through various actions." "A game that will let you enjoy the tale of the Elden Ring Product Key - don't miss it!" "The best part is, despite the low-level combat, the game is a fun and entertaining one. With a robust customization feature, one unique combat system, and the story using a unique medium, it is without a doubt that this game is worth trying." "When the game started, I was surprised at how exciting the story was. The combat was also very fun, and I loved that it involved such a diverse variety of weapons. One thing worth mentioning is the dynamic music, which sounds like a video game. To tell the truth, I was surprised how exciting the story was." "I really enjoyed the main character's attitude. The world's four seasons feel great, and there are a variety of scenarios to keep things interesting." "One thing that I can't get over is the music; it sounds like a video game. The screen also felt like I was playing a video game, and the controls are very responsive." "I really enjoyed the main character's attitude and the character customization features. Even after hours of gameplay, the game was still as fresh as the day I started it. I found that it was very easy to get used to the controls too." "As expected of an RPG, there are plenty of customization features, but what I want to mention is the story that can be seen even through its plotless design." "As a dungeon crawl where the story gets carried out, the characters' sentiments are conveyed even if they don't speak, and the intense bond between the characters is conveyed through various actions."
